

# Mighty Mouse 5 Bluetooth

Wireless Water-Resistant  
Disinfectable Five-Button Mouse

**B**e free of cables and free of germs with the ultimate wireless **Mighty Mouse BT®**. This fully-sealed beauty takes repeated cleanings without compromised performance for the most hygienic and reliable mouse to grace your pad. Built tough, it takes cleanings with disinfectants, alcohol or 10% bleach solution without complaint. Fully functional, it clicks from right or left, scrolls with ease, and flaunts a feel-good ergonomic design. It even has helpful indicator lights to let you know when it's charging or pairing. For patient safety, infection control, or diehard everyday use, the **Mighty Mouse BT®** is freedom you can hold in your hand.

◀ **Indicator lights tell you when the device is charging or pairing.**
