

Really Cool LP

Low Profile Premium Waterproof Disinfectable Silent Keyboard

Ah, the luxury of choice! It's what you get with the newest great thing from Man & Machine – the Really Cool LP. An extension of the Really Cool Keyboard line, Really Cool LP features low profile keys for a flatter surface that cleans like a dream! And tactile feedback your fingers will love! Just like our gold standard Really Cool, Really Cool LP is a full-size keyboard with no moving parts to fail, a sealed seamless body that keeps fluids and germs out, and outstanding reliability and performance built right in. Really Cool LP

is ideal wherever patient safety and infection control matter. It's compatible with standard keyboard layouts. And can be equipped with our magnetic attachment system, 3-way backlights and smart cable option. Try the unique feel and facilitated cleanability of Really Cool LP and viva la choice!
