

Slim Cool & Slim Cool +

Premium Waterproof Disinfectable Silent 12" Keyboards

Perfect for tight spaces, this slim silhouette features superior tactile feedback and a sealed rigid body that stands up to rigorous cleanings. With no mechanical parts to fail or replace, performance and reliability are unparalleled. Users experience a comfortable keystroke, even while wearing gloves. The tough, washable construction is ideal for enhancing patient safety and infection control. And the click-free keyboard is appealing for areas where noise is undesirable.

With a central integrated touch pad that provides ergonomic benefits for both left-handed and right-handed users, the Slim Cool + has it all. No mouse needed! Both the Slim Cool and Slim Cool + are compatible with standard keyboard layouts. And both can be equipped with our magnetic attachment system, 3-way backlights and smart cable option.

▲ Available in hygienic white or black,
▼ keyboard or touchpad.

▲ A Slim Cool paired with a Man & Machine Petite Mouse.
