

U Hot

Economical Full-Size Water-Resistant Keyboard

Imagine an inexpensive wireless keyboard with clever drainage holes so gunk washes off but nothing goes haywire. Ukidding? No, UHot! Value is built right into this rugged, cleanable keyboard that comes with a standard layout and standard tactile feedback. So you get the feel of a standard keyboard – with infection-control properties, cable-free use and a worry-free price tag. It's USB friendly. And no driver needed to operate this baby. That's the beauty of UHot. Ulike? Ok, Ubuy.
