

MAN & MACHINE

# PRIVATE EYE™ MONITORS

PRE-INSTALLED, NON-REMOVABLE PRIVACY FILTERS

The Man & Machine Private Eye™ is a high-quality LCD monitor with a premium privacy filter installed behind the bezel, which obscures critically important data from any angle except direct line-of-sight. Man & Machine has over 30 years' experience in enhancing and modifying computer monitors. As an OEM Partner with Dell, HP, and Samsung, we can offer this tamper-proof privacy solution without voiding the monitor warranty.
