

KM5221 Cool Fitted Drape

**Protective Silicone, Waterproof,
Sterilizable Keyboard Fitted Drape**

Give your Dell KM5221w keyboard the protection it deserves from dust, blood/fluids, and accidental spills. Designed to protect the keyboard from unsavory invasions of all kinds, this fitted drape is the ideal solution for any environment.

Wipe clean in an instant. Clean and disinfect with EPA-registered wipes and disinfectants. Even better, sterilize it in an autoclave for the ultimate clean.
