Y COOL FITTED DRAPE

Flat Fitted Drape

Profile Fitted Drape

With two styles of a Fitted Drape designed specifically for use with the Y Cool, you have even more flexibility. The Y Cool Flat Fitted Drape has a smooth surface for an easier one-wipe clean, while the Y Cool Profile Fitted Drape contours to the individual keys and can also be easily wiped. Both drapes are 100% clear silicone providing complete visibility of the keys, and can be cleaned and disinfected with standard hard-surface cleaners without cloudiness or discoloration. Sterilized in an autoclave for the ultimate sterile solution.

*The Y Cool Keyboard is sold separately.
