Sterilizable Mouse Pad

Making Infection Control Easier

CHOICE IS EVERYTHING

Enhance Infection Control Protocols

Our washable mouse pad is made of a durable silicone to support our infection control protocols. Match with any Man & Machine mouse for an infection control solution that makes hand hygiene a priority.

*May not be compatible with C Mouse Wireless. Subject to change.

Sterilizable

Can be cleaned, disinfected and sterilized in an autoclave at 134°C

Optional Private Label

Man & Machine's Sterilizable Mouse Pad is sold in a pack of 5. For larger orders (MOQ 1,000 pieces) private labeling is available - we can customize with your logo and message. Contact us now for more information.
