**FIT FOR PURPOSE SOLUTIONS**

## TRULOCK IN EVERY KEYBOARD

Lock it, then clean it. TruLock prevents unwanted characters from being typed during cleaning & disinfection procedures.

## MEDICAL GRADE OPTIONS

Multi-level Backlight: Our backlight lets you type in low light environments.

MagFix: Built-in magnets allow typing at any angle.

Custom Cable: Non-standard cable lengths available

Private Label: Add a one-color custom logo

## FIT FOR PURPOSE SOLUTIONS

Man & Machine offers a complete range of washable wired & wireless keyboards and mice fit for any budget and environment. Our products are used in many settings from hospitals and laboratories to courtrooms, public safety and manufacturing facilities. With features and options that meet all your needs, Man & Machine has the perfect solution for you!

### WARRANTY SUMMARY

Orders can be returned within 30-days for full refunds (shipping not included). Return requests received after 30-days will require approval and a 30% restocking fee. Units used for biological or industrial applications **CANNOT** be returned for refund. Once opened, Sterilizable Cool Drape, Laptop Drapes and Sterilizable Mouse Pad are not eligible for return/replacement. All units returning for refund must be in "like new" condition with original packaging. Warranty returns need to be disinfected and certified clean from biological and industrial contaminants. RETURNS WILL NOT BE ACCEPTED THAT HAVE NOT BEEN DISINFECTED. MMI will not be responsible for any units that are a biohazard or chemically contaminated. \*See [www.man-machine.com/warranty-statement](http://www.man-machine.com/warranty-statement) for complete warranty information.
