

VERY COOL KEYBOARD

Utilizing years of experience and valuable customer feedback, the Very Cool offers superior flexibility with a washable design!

Features

Washable IP65

Wash. Spray. Wipe.

Resistant to Disinfectants

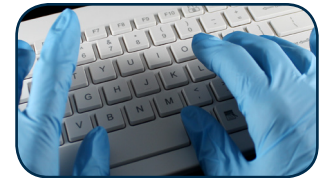

Use standard hard surface cleaners

Lockable

No need to disconnect during cleaning

Tactile Feedback

Tactile typing at the speed of a regular keyboard

Hygienic White

Easily detect bio-load

Optional built-in MagFix

Never use Velcro™ again. For wall-mounts/flip up keyboard trays.

Keyboard Tilt

To use flat or tilted

Cable Management

4-Directional Quick Disconnect Cable with Double Strain Relief

Optional Printed Fitted Drape

Enjoy the benefits of a sealed one-wipe cleaning solution without compromising tactile feedback.

- Tightly fitted drape stays in position
- Disinfectable
- Sterilizable in an Autoclave or Thermo-disinfector
- Slightly raised keys for additional tactile feedback
- Replaceable/Disposable
- Colors available: White, Black, Red, Blue, and Yellow
