## MAN & MACHINE

# PRIVATE EYE" MONITORS

## PRE-INSTALLED, NON-REMOVABLE PRIVACY FILTERS

The Man & Machine Private Eye<sup>TM</sup> is a high-quality LCD monitor with a premium privacy filter that can be installed behind the monitor bezel, or laminated to the front panel, to obscure critically important data from any angle except direct line-of-sight. Man & Machine has over 30 years' experience in enhancing and modifying computer monitors. As an OEM Partner with Dell, HP, Planar and Samsung, we can offer this tamper-proof solution without voiding the monitor warranty.
